

Delaware Pediatrics, LLP

making it all better

Dear Patients and Patient Families:

After 35 years of practice at Delaware Pediatrics, I am announcing my retirement as of October 1, 2020. It has been a joy to participate in the care of your children and to be involved in some small measure in their lives. I will always treasure my interactions with you and your children, but the time has come for me to focus all my time and energy on the next chapter of my life.

I will miss you all and will miss seeing my patients grow and develop. Leaving my Delaware Pediatrics family will be wrenching as well. I am comforted by the knowledge that I leave the well-being of your children in very attentive, diligent, and competent hands.

I wish you all the best in your life's journey.

Thank you for entrusting your children's health care to me and for sharing them with me.

Most Sincerely,

A handwritten signature in black ink that reads "Nitza Ellis".
