

Delaware Pediatrics, LLP

making it all better

Dear Patients and Families,

I am writing to announce my departure from clinical practice at Delaware Pediatrics, effective June 26, 2020. There has been no greater honor in my life than caring for the children and families of our community. Thank you for trusting me with your children. As our world has changed greatly this year, I too have chosen to change career paths. I am dedicated to advocating for children everywhere but am currently not joining another primary care practice.

I genuinely believe Delaware Pediatrics is the finest practice in our area and hope you will continue your care here. I continue to trust my own children with Delaware Pediatrics, as I have for years. I wish you all the best as you continue your health and wellness journey.

Please contact, the office manager, Mary Lucarelli for questions or concerns at 716-884-0230.

Sincerely,

Christine Brown, D.O.
